Motion to accept the budget report by John Guidobono, seconded by Stan Lawrence, motion carried

**COMMITTEE REPORTS**

**Weed Control**

Anita reported on that our weed control permit was approved and the first treatment would be performed before Memorial Day

**Dam**

Doug Mancini reported on the dam inspections of the earthen portion of the dam. All inspections of the dam for the past six or seven years have been similar.

The dam inspection was completed and passed inspection

**Water Quality**

John Boland reviewed the water quality data the lake and the current efforts that are currently underway to improve water clarity

Doug Taylor reviewed the sechi disc water clarity readings for the lake

Goose Roundup

It was reported that our permit for nest destruction was approved by EGLE. They denied our request for the roundup portion due to the bird flu.

**OLD BUSINESS**

Website is up and running. Website is: woodlandlake.info

**NEW BUSINESS**

The proposed housing development of Woodland Lake was discussed. Members were encouraged to attend the Township planning meetings regarding project
